11. (Unclassified - JSW) Talked with William Darden, Senate Armed Services Committee staff, with reference to Chairman Russell's 7 October 1966 letter to the Director on our legislation. Mr. Darden did advise that subsequent to the briefing he received from me and Colonel White, he did go over the bill item by item with the Chairman, who had no serious objection to any item and had no problems with most of them. Considering all the circumstances, Mr. Darden agreed that there were no further steps which the Agency could take, the matter is in the Chairman's hands.
